You have told us on your claim form you are paying for childcare. You may now be able to get extra housing benefit and council tax reduction

This extra help is available to families paying childcare for children until the first Monday in September following their 15th birthday or 16th birthday if the child is disabled. If this applies to you, you can get upto £175.00 of your weekly earnings ignored (up to £300.00 per week for those with two or more children who meet the conditions). This means your benefit will increase.

YOU QUALIFY IF :

- You are a couple and both work at least 16 hours each week; or
- You are a couple and one works at least 16 hours each week and the other is disabled or sick;
- You are a single parent working at least 16 hours each week.

A registered childminder or registered organisation, such as a nursery, must provide the childcare.
