## **Bringing your Own Stall**

If you are providing your own stall we will need you to declare the exact dimensions of your stall on the booking form. **We will only allocate you the amount of space you enter on the booking form so please ensure your information is accurate.**

If on arrival the space you require is larger than you have indicated at the time of booking you may be moved and will be charged for the additional space.

Your stall must be **structurally sound** and have sufficient weights needed to keep it secured in the position allocated. If the stall you provide does not appear to be structurally safe and or be of a standard construction you will be asked to remove it from site. Refunds will not be given to stall holders who are asked to remove unsafe stalls from site.

## **Mela-Supplied Stall**

Middlesbrough Mela have a small amount of stalls that can be provided to you at a cost indicated in the booking form. The stalls are **2.4m frontage x 1.2m depth**.

- If you are a food stallholder, you must bring a wipeable surface, such as a PVC tablecloth, with you to cover the table surface provided.

Example of the type of stall provided by the Mela.

## **All stall holders**

- If you are cooking food in close proximity to the public you must provide appropriate barriers.
- A 'no glass' policy is operating throughout the event. Do not sell drinks in glass containers or bottles
- Any carbon dioxide (CO<sub>2</sub>) cylinders on-site must be suitably secured upright to prevent toppling.
- You are responsible for the Health and Safety of your employees and the Public in the vicinity of your unit.
- If cooking, a suitable flooring surface must be provided e.g. board or lino. This is to protect the ground from oil, spillages and damage etc.

Please note the site has been damaged in previous years so this will be checked by the Mela team throughout the event and any cost of repair will be billed to the stall holder responsible for that area.

## **Payments**

The fee for your stall can be worked out using the pricing table on the booking form. Prices vary for the type of stall and the number of days you wish to attend.

If you are bringing your own stall we calculate our prices by the **metre** so you will need to tell us your stall size to the closest metre.

### Process of booking and payment

- Applications received by email or post will be acknowledged within 7 days
- You will then be set up as a vendor on our accounts system
- An invoice will then be sent to you (This is confirmation your stall has been booked).
- The Invoice will be for the total amount owed based on information provided when applying.
- This amount will be made up of the £50 application deposit and then the remaining balance.
- All invoices must then be paid **within 28 days of receipt**, or by the **end of July 2018**.
- **Cash will not be collected on the day of the event. Stalls must be paid for in advance or you will not be granted access to the site**
- Stallholders Packs containing essential information on holding a stall at the Mela will be sent out on the **31<sup>st</sup> July 2018**

### Bounced Cheques

Unfortunately, in recent years we have seen a number of cheques bounce. In most cases, this is due to simple error and has been resolved, but not always. For this reason we will not be accepting cheques as a form of payment this year.

Our preferred payment option is by card over the phone or BACS both will be detailed on the back of the invoice you are sent.

### **Arriving early**

Food stall traders and traders with larger pitches will be given the option of setting up on Friday 10<sup>th</sup> August.

If you are not a trader who this applies to we ask that you do not arrive before 7:30am as the Mela production team do not arrive until this time.
