Introduction

Under the provisions of The Licensing Act 2003, regulated entertainment, the sale or supply of alcohol and the provision of late night refreshment require authorisation from the Local Authority. In Middlesbrough, the department responsible for this legislation is the Supporting Communities Service, Licensing Section.

The Licensing Act 2003, which came into force on 24 November 2005, abolished many types of licence (such as Justices On/Off Licences, Restaurant and Public Entertainment Licences, Cinema and Theatre Licences and Club Registration Certificates) and replaced them with new licences: Premises Licences, Personal Licences, Club Premises Certificates and Temporary Event Notices.

The Licensing Act 2003 focuses on the promotion of four statutory objectives which must be addressed when licensing functions are undertaken i.e.

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm

The Act requires Local Authorities to produce a Licensing Policy. This Policy sets out how the Local Authority expects the four licensing objectives to be promoted in the local area and provides guidance on the matters that will normally be taken into account when making decisions on licensing applications.

Premises Licence

A Premise Licence is required to authorise the use of a premise for any of the following licensable activities:-

- The sale by retail of alcohol
- The supply of alcohol by a club
- The provision of regulated entertainment
- The provision of late night refreshment

Regulated entertainment has been defined as:-

- A performance of a play
- An exhibition of a film
- An indoor sporting event
- A boxing or wrestling entertainment (indoor or outdoor)
- A performance of live music
- Any playing of recorded music
- A performance of a dance
- Entertainment of a similar description to that falling within the performance of live music, the playing of recorded music and the performance of dance

Late night refreshment has been defined as:-

The provision of hot food or hot drink to Members of the Public, between the hours of 11 p.m. and 5 a.m. on or from any premises, for consumption on or of the premises.

Personal Licence

A Personal Licence is required to enable an individual to make or authorise the sale of alcohol.

Club Premises Certificate

A Club Premises Certificate is required by a 'qualifying club' to supply alcohol to Members and Guests without the need for a Personal Licence, and/or provide regulated entertainment.

For further information in relation to a 'qualifying club' please contact the Council's Licensing Office.

Temporary Event Notice

A Temporary Event Notice must be given to the Local Authority and the Local Police, the Council's Environmental Protection Team and the Council's Health and Safety Team for the temporary carrying on of one or more of the licensable activities which is not authorised by a Premises Licence or a Club Premises Certificate.

There are, however, limits on the number of temporary events permitted:

- The duration of the event must not exceed 168 hours (7 days)
- No more than 499 people, including staff, may attend the event at any one time.
- The same premises cannot be used on more than 15 occasions in any calendar year.
- Each premises is subject to an overall aggregate of 21 days use, irrespective of the number of individual occasions on which they have been used.
- There must be a minimum of 24 hours between events at the same premises.
- A Personal Licence holder may give a maximum of 50 standard notices which may include up to 10 late notices in one calendar year throughout England and Wales.
- Any other person may give a maximum of 5 standard notices which may include up to 2 late notices over the same period.

To ensure that your business can operate in accordance with the law it is important that you apply to the Council for the appropriate licence. Guidance on how you can do this can be found in this booklet and the Council's Licensing Policy or you may wish to contact the Licensing office on 01642 7278011 or email licensing@middlesbrough.gov.uk where staff will assist you. However, you should consult your own professional or legal advisors for legal advice.

Advice and guidance can also be found at www.homeoffice.gov.uk

The licence will be granted unless there has been a Representation from a Responsible Authority or other person(s). In this case a hearing will be arranged and Middlesbrough Council's Licensing Committee will consider the application and representations.

Minor Variations to Premises Licences

On 29 July 2009 the Licensing Act 2003 was amended to include a simplified process for minor variations to premises licences and to remove the requirement for a Designated Premises Supervisor and Personal Licence holder at community premises.

Such variations include those that will not impact adversely on the licensing objectives e.g.

- Minor changes to the structure or layout of a premises which does not increase the capacity for drinking on the premises
- Small adjustments to licensing hours.
- The removal of out of date, irrelevant or unenforceable conditions.
- The addition of voluntary conditions.
- The addition of certain licensable activities, excluding the sale or supply of alcohol.

This process can not be used to:

- Extend the licensing hours for the sale or supply of alcohol on or off the premises between 11 p.m. and 7 a.m.
- Increase the amount of time on any day during which alcohol may be sold or supplied for consumption on or off the premises.

For such applications a full variation application should be made. See page 6 for further details.

If you wish to make an application for the minor variation to a current licence you must:

1. Complete the application form '*Application for a minor variation to a premises licence or club premises certificate under the Licensing Act 2003*'. This can be obtained from the Council's Website or from the Licensing Office. You may also make this application on line at www.businesslink.gov.uk
2. Pay the relevant fee.
3. Provide a plan of the premises (if appropriate).
4. Provide the original premises licence or if this is not possible a statement giving reasons why it cannot be provided.
5. Advertise the application on the premises – see page 18 for details.

The Licensing Office will consult with the appropriate Responsible Authorities on your behalf. If no representations are received your application will be granted 10 working days after submission. If representations are received your application will be refused. In this case you may wish to consider making a full application to vary your premises licence.

If you wish to make an application to transfer a current licence you must:

1. Complete the application form '*Application to transfer a premises licence under the Licensing Act 2003*'. This can be obtained from the Council's Website or from the Licensing Office. You may also make this application on line at www.businesslink.gov.uk
2. Provide the form '*Consent of Premises Licence Holder to Transfer*'. This can also be obtained from the Council's Website or from the Licensing Office.
3. Pay the relevant fee.
4. Provide the original premises licence or if this is not possible a statement giving the reasons why it cannot be provided.
5. Provide documentation demonstrating your Right to Work in the UK.
6. Send a copy of the application to the Police and if the licence authorises the sale of alcohol and/or late night refreshment send a copy to the Home Office (Immigration Enforcement).
7. If there is a Designated Premises Supervisor, notify him/her of the application.

In some instances it may be necessary to make an application to transfer a licence with immediate effect. In this case the application will be effect during the application period.

This type of application can only be made with the consent of the holder of the premises licence or if this is not possible, evidence that all reasonable steps have been taken to obtain this consent. You must also be in a position to use the premises during the application period for the authorised activities.

The licence will be granted unless there has been a representation from the Police. In this case a hearing will be arranged and Middlesbrough Council's Licensing committee will consider the application and representations from the Police.

If the application is granted and there is a Designated Premises Supervisor, you must notify him/her of the transfer. *A person commits an offence if he/she fails to comply with this requirement.*

When the holder of a Premises Licence dies suddenly or becomes bankrupt or mentally incapable, the Premises Licence will lapse. However, the Licensing Act has provided for a licence to be reinstated, in certain circumstances, for a period of time.

If no application is made to transfer the licence a person with a 'prescribed interest' in the premises or was connected to the former holder of the premises licence immediately before it lapsed, may during the initial 28 day period give the Council an '*Interim Authority Notice*'.

This will reinstate the licence from the time the notice was received to the person who gave the notice. You must within this period, also give notice of the application to the Police and if the licence authorised the sale of alcohol and/or late night refreshment the Home Office (Immigration Enforcement). If you do not give this notice the licence will again lapse at the end of the initial 28 day period. The notice will take effect unless it is cancelled by the Police, in this case a hearing will be arranged and Middlesbrough Council's Licensing Committee will consider the notice and representations from the Police.

The licence will lapse at the end of the interim authority period, which is a maximum of 3 months, unless a relevant transfer application is made.

If you become the holder of a Premises Licence under an Interim Authority Notice the Council will send you a copy of the Premises Licence. If there is a Designated Premises Supervisor you must notify him/her of the notice. *A person commits an offence if he/she fails to comply with this requirement.*

Designated Premises Supervisor

The Designated Premises Supervisor is a Personal Licence Holder responsible for the day-to-day running of the premises and is specified on the Premises Licence.

In circumstances where there is to be a change to the Designated Premises Supervisor, eg through redeployment, death etc the Premises Licence Holder must make an application to vary the Designated Premises Supervisor

If you wish to make an application to vary the Designated Premises Supervisor you must:-

2. Provide a '*form of consent from the proposed Designated Premises Supervisor*'. This can also be obtained from the Council's Website or from the Licensing Office.
3. Pay the relevant fee.
4. Provide documentation demonstrating your Right to Work in the UK.
5. Provide the original Premises Licence (or relevant part) or if this is not possible, a statement giving the reasons why it cannot be provided.
6. Send a copy of the application to the Police.
7. If there is an existing Designated Premises Supervisor, notify him/her of the application.

The Licence will be granted unless there has been a Representation from the Police. In this case, a hearing will be arranged and Middlesbrough Council's Licensing Committee will consider the application and representations from the Police.

Following the determination of the application you must:-

1. If the application is granted – notify the person who has been replaced.
2. If the application is rejected – notify the Designated Premises Supervisor accordingly.

A person commits an offence if he/she fails to comply with this requirement.

In some instances it may be necessary to make an application to vary the Designated Premises Supervisor with immediate effect. In this case, the application will have effect during the application period.

Notification of Change of Name or Address

You must notify the Council and the holder of the Premises Licence of any change in name or address. *A person commits an offence if he/she fails, without reasonable excuse, to comply with this requirement.*

2. If you are also the holder of the Premises Licence you must also provide the original Premises Licence (or relevant part) or if this is not possible a statement giving the reasons why it cannot be provided.

 - (ii) a Notice directing him/her to send to the Council, within 14 days, the Premises Licence (or relevant part) or if this is not possible a statement giving the reasons why it cannot be provided. *A person commits an offence if he/she fails to comply with this requirement.*

Following this Notice, you will be treated as not being the Designated Premises Supervisor for the premises.

Community premises such as church and village halls may make an application to remove the usual requirements in respect of the authorisation of alcohol sales by a Personal Licence Holder and for a Designated Premises Supervisor who holds a Personal Licence.

Where the committee of a community premises is applying for the authorisation for the sale of alcohol for the first time, either a new application for a Premises Licence, or a Variation Application for a Premises Licence will be required together with the form *'Application for the mandatory alcohol condition under the Licensing Act 2003 requiring a Designated Premises Supervisor in respect of a Premises Licence to be dis-applied'*. See page 6 for further details.

Where a community premises already has a licence to sell alcohol but wishes to remove the requirement for a Designated Premises Supervisor it must:-

1. Complete the application form *'Application for the mandatory alcohol condition under the Licensing Act 2003 requiring a Designated Premises Supervisor in respect of a Premises Licence to be dis-applied'*. This can be obtained from the Council's Website or from the Licensing Office. You may also make this application on line at www.businesslink.gov.uk
2. Pay the relevant fee.
3. Provide the relevant part of the original Premises Licence or if this is not possible a statement giving the reasons why it cannot be provided.
4. Send a copy of the application to the Police.

If the notice is granted, conditions can be attached, in certain circumstances.

Responsibilities during the event

The Premises User must ensure that a copy of the notice and the statement of conditions (if applicable) are prominently displayed at the premises and that the original documents are kept in his/her custody or the custody of a nominated person who is present and working at the premises.
